Have a look at this amazing [footage](#) from the Israeli [Palestinian Media Watch](#) group of a Palestinian kids programme preaching anti-semitic hatred to primary school children. I found it on [Fox News'](#) website so it has to be taken with a double pinch of salt. But it is not only depressing but deeply surreal, a kind of hate speech version of CBeebies meets League of Gentlemen. The Palestinian information minister described the programme as 'a mistaken approach to the struggle with Israel. Indeed.
